FACTS Tuition Management

All tuition agreements for your payment plan and payments for tuition/fees are made through FACTS (<https://online.factsmgt.com/SignIn.aspx>). **FACTS charges either a \$25 or \$55 one-time per year processing fee based on the payment option chosen.** All families are required to enroll in FACTS Tuition Management. The enrollment/re-enrollment process is not complete without a payment plan set up through FACTS.

Tuition Assistance

Because tuition assistance is considered a scholarship and the funds are budgeted, the earlier you apply, the more funds are available. We are currently seeking donors and church partners to help with our tuition assistance program. The tuition assistance process requires completion of your federal taxes. You may use the previous year's taxes to apply. Families who apply for tuition assistance may not choose the payment in full plan.

New Families: New families applying for tuition assistance must complete an online application, pay a \$40 tuition assistance application fee, and submit all necessary documentation to FACTS Grant and Aid Assessment via <https://online.factsmgt.com/grant-aid/inst/4P1M6/landing-page> within 15 days of acceptance to LCA. Failure to do so may result in lower aid awarded.

Current Families: Families applying for tuition assistance must complete the online application, pay a \$40 tuition assistance application fee, and submit all necessary documentation to FACTS Grant and Aid Assessment via <https://online.factsmgt.com/grant-aid/inst/4P1M6/landing-page> **LCA Tuition assistance applications are due by July 1st and aid will be awarded by July 15th. Due to budgeting and planning purposes, awards will be decreased by \$250/child for any applications received after May 1st. Late submissions will also result in delayed awards.**

Withdrawal Penalties/Tuition Refunds

Withdrawal penalties and tuition refunds will be based upon the following schedule:

- Student withdraws between May 1st and August 31, 2024 - \$500 withdrawal penalty
- Student withdraws between September 1st and December 31, 2024 - \$1,500 withdrawal penalty, plus payment of prorated tuition(s)*
- Student withdrawals between January 1, 2025 and end of school year - payment of balance of tuition
- Tuition is prorated to the last day of the month of withdrawal.

Past Due Balances/NSF Fee

A student that has a tuition balance more than 60 days past due may not be allowed to attend classes until the account is made current. Any student with a balance still remaining on June 30 will not be allowed to re-enroll until the balance is paid in full or a satisfactory payment arrangement is agreed upon. A non-sufficient funds (NSF) fee of \$30 will be assessed for any payment returned by our bank.

Nevada Opportunity Scholarship

The state of Nevada offers the Nevada Opportunity Scholarship, a need-based scholarship, to families on a first-come basis. These scholarships are not provided by LCA. To apply, you must apply directly through the organizations. Once awarded a scholarship, families share this information with LCA.

Even if you intend to apply for a tuition assistance &/or have been awarded assistance, LCA still needs a completed tuition contract signed by a guardian on file, as ultimately the guardian(s) are the guarantor(s) that the tuition will be paid in a timely manner. Tuition is necessary for LCA to provide the materials, structures, & professionals needed to educate your children.
